Summer 2004

Open Season?

'Do you have any advice for prospective brides Rector?'

'Yes, elope!'

The wedding season has begun. Brides who imagined they had loads of time left to prepare suddenly realise that the great event is only a few weeks away and phone me in a panic. Fathers start to receive stern letters from the bank manager. Costs spiral out of control. But these are but small issues compared to the pressures of the day itself.

The Lych Gate at All Saints' Church is incredibly useful. Sometimes the weather is inclement, and the brides need shelter from wind and rain. We can get them out of the car, form up with the bridesmaids in relative shelter, and marshal umbrellas to protect them all on the way up the church path as the icy blast sweeps down from the Chiltern skies.

The Holy Spirit is similarly disruptive. The Bible describes him as the 'Breath' of God. Just when we imagine we have got the church or our lives nicely sewn up in what we think and do, He blows gently or hard to bring about change. Being a Christian is never a static thing, spiritual experience guided by the Holy Spirit is always in motion.

As I write at Whitsun and look forward to summer in Coleshill, we remember the coming of the Holy Spirit in power upon the first Christians, changed everything for them and us. From now on, all who wish to experience of the power of God may do so. But be warned. Ask the Holy Spirit, the breath of God to blow in your life and things will be changed, not just once, but on-goingly. From now on life and spiritual experience becomes an unpredictable journey guided by the Spirit of Jesus.

Tim Harper
Rector of Amersham with Coleshill

News from All Saints'

Easter Services

The Easter Services this year were well attended as usual. The floral arrangements looked lovely, and brought Spring into the Church. White lilies had been donated by villagers in memory of loved ones, and these had been incorporated into the decorations. We are grateful to Catherine Green and her team of flower arrangers for their hard work.

The Lent Groups were somewhat curtailed this year, clashing as they did with the production of the Martyrs' Play. Next year they should be back to normal.

Annual Meeting of Parishioners

This was held after Communion on Sunday 25th April, and was well attended. The Rector thanked all the Officers and Committee Members for their support, and commented that the financial position was now more encouraging. He also mentioned the excellent Ofsted Report received by the village school.

Patsy Wright-Warren as Pro-Warden reported that the planned electrical work in the Church was in progress, and would cost around £3500.

Patsy and Dumpy Swerling agreed to continue as Pro-Wardens. Ruth Murphy is standing down as Hon Secretary, but will remain on the Committee. Chris Wege takes on the Secretarial role. Alex Pond has had to leave the Committee in advance of her move to Pakistan, but three new members were proposed. These were Petrina Clackett, David Elliott, and Catherine Green.

Christian Aid

The house-to-house collections in May were organised by Hazel Thomas, and raised £666.20. The sponsored Walk on Sunday 16th May was enjoyed by nearly fifty people (and a lot of dogs), over a route of five miles, starting and ending at the Red Lion. This raised an amount of £323.05. These amounts, totalling £989.25, were made possible by the team which included amongst others Hazel, Peter and Jennifer Brock, Helen Spencer and Dumpy Swerling. Many thanks to all of those who helped.

Magpie Club

The number of children attending the Club has held up very well, thanks to the hard work of Derrick Carr and Marianne Holt, assisted by Lindsey Eardley and Lavinia Horsbrugh-Porter.

Amersham Hospital

A group from the Congregation has continued to provide teas at the Haleacre Unit, and between ten and twenty patients have availed themselves of this service each week. Misbourne Ward has closed, but the Chaplaincy Team, which is partly manned from All Saints', continues its work in the remaining wards. The future of these units at the Hospital is of course unknown.

Global Village - Pakistan

I arrived two weeks ago in Islamabad to unseasonably hot weather (45c) and it will get hotter in July and August, until the monsoon. It is a beautiful city, pleasing to the eye, spacious and the surrounding scenery simply stunning. The bird life is incredible and Derek will be in seventh heaven. A shoppers paradise if you want CD's, Videos and DVD's, all retail here for about £1.50 max, leather shoes, jewellery, linen and carpets.

I have to go to Lahore and Karachi for my job which will be pretty hairy since there have been regular riots and a Brit was shot dead in the northern territories last week. A visit to the morgue therefore next week in my Director, consular affairs role. The British High Commission is deeply unimpressive 60's concrete but the facilities on the British compound more than compensate, fabulous pool, bars, clubhouse, tennis, squash, golf, football and shop. My current house has not been a success. I lived without air conditioning for the first two days and intermittent electricity. No hot water for a week, no cooker, the battery had died and I won't bother to share the details of the loo.

So next week on the day Derek arrives we move into a five bedroom property in the premier district, with a fabulous view of the Margalla Hills and close to Khosar Market. Work is hard but I had forgotten the social whirl of F.C.O. life. Dining with Pakistani organisations, fraternity lunches and dinners with the EU community, magical suppers at the Residence in the gardens, poker nights with the girls - the odd swim and half an hour per week with the tennis coach. Will I have time to see Derek when he arrives? Finally, this is the place to eat, delicious food where ever you go, G&T 80p at the club and so much choice, definitely not the place to come for those wishing to lose weight.

Love and blessings

Alex Pond
Director (UK Visas - Islamabad)

Coleshill Infants School

The summer term is probably the busiest at Coleshill School, as we organise many activities at this time of the year. Our May Fair was a great success as it was a beautiful, sunny day. The Parents' and Friends' group worked very hard to make the day run smoothly and over £1,600 was raised. Thank you to everyone who attended this fun event. This year the group has purchased new PE equipment and dining furniture for the children, as well as some beautiful new books for our resource room.

The Year 2 children have finished their Statutory Assessments (SATs) and the results this year are very pleasing, particularly in maths. We held a 'Scotland Week' in May. As we have several Scottish families in the school, we thought it was a good idea to capitalise on this by having a special week where children could learn about a different part of our country. Two of our Dads came to talk to the children dressed in their kilts and we all enjoyed eating shortbread and oatcakes. We had an excellent display of Scottish artefacts, including flags, books, shawls, hats and ornaments. The children wrote stories about the Loch Ness Monster and 'Ghosts in the Castle', as well as learning a Scottish song and listening and dancing to Scottish Country Dancing music.

The children are busy learning their dances for the village fete and for the annual country dancing festival at Dropmore School in June. Tennis club, run by Peter Dodds and a new cricket club, run by John Ullman are both being enjoyed by many of our children. We are also rehearsing for our end of term production, which is going to be 'The Elephant's Child', a musical based on Kipling's 'Just So' stories. Our dress rehearsal will be on Monday, July 12th at 11.00 a.m. if anyone in the village would like to attend. We always appreciate an audience on that day as it helps the children to practise performing in front of a crowd. Also we have organised a trip to the Chiltern Open Air museum in July and a theatre group visiting the school to perform 'The Hare and the Tortoise'.

Our end of term service will take place in All Saints' Church at 11 a.m. on Tuesday, July 20th. Please come and join us if you can. All the Year 2 children will be receiving a Bible as a leaving gift from the church and the 'Leavers' Service' is always an emotional event as we say goodbye to a much-loved year group of children. Our thanks go to Tim and his team for supporting our school so well again this year. Also, many thanks to everyone in the village who donated their Tesco vouchers to us and for using our recycling facilities.

Jenny Earp - *Headteacher*

***LATE NEWS** - Jenny is too modest to tell you this, but as a consequence of the excellence in education celebrated in the recent Ofsted inspection, she has been invited by HRH Prince of Wales to be his guest for lunch at Highgrove this summer!*

Red Lion

On a cloudy morning over 60 villagers congregated by the pond for the May Day festivities and cheered the Grand Union Morris and their guest ladies Team from Watford, whose clog-dancing proved to be very popular. (See pictures below.)

Greensleeves Morris from Wimbledon with two guest teams will be visiting us at approximately 12.30pm on Saturday 10th July 2004 for their annual tour of Buckinghamshire.

Our Men's 'A' Darts Team won the League Knock-Out Cup, and this fine trophy is on display near the fireplace. The 'B' Quiz Team missed promotion to the top division by one place. The pub Open Crib and Dominoes Competition will take place on Wednesday evenings during June and July. All are welcome. So do contact me if you want to enter.

Two teams have entered the Summer Darts League, and the matches take place on Monday evenings starting on 7th June. This is not a serious league, and a place can always be found for anybody who wants to participate. Also, we hope to start our friendly Petanque evenings on Thursdays during the latter part of June.

John Ullman

You can find out more about the Red Lion by going direct to our web page on the Village website at www.coleshill.org/red_lion.htm

Parish Council

The Annual General meeting of Coleshill Parish Council was held on the 18th May 2004. Cllr David Hall was re-elected as Chairman, Cllr Richard Valentine was re-elected as Vice-Chairman of the Parish Council. The other posts on the Parish Council remain the same and a list of Councillors and their responsibilities is made public and posted on the notice board outside the Village Hall.

The Council have a number of matters under active consideration including:

The ongoing consultation taking place with Bucks County Council for the new proposed speed limits in Coleshill.

The Parish Council is finalising a document to be posted on the Village Website and notice board outlining what makes a successful planning application and dispelling some of the myths.

The maintenance and repair to the fence at the play-area in Hill Meadow.

Here's the big one - the clearance and tidying of the Village pond, the date for this activity will be advertised on the notice board. All are welcome to help.

Remember that at the beginning of the Parish Council meetings there is the democratic ¼ hour, when if you have a query, concern or request, that's the time to say. Its always nice to have members of the public attend the meetings, but if for some reason you can't attend then please either e.mail on anemones@compuserve.com or telephone me with your question and it can be raised at the Council meeting. The date and time of the Parish Council meeting is always posted on the notice board outside the Village Hall and on the Village web site.

Susan Smith
Clerk to the Parish Council

Coleshill Common

If you thought that only Tesco's could supply morel fungi for your delectation, you have missed out on more local supplies. Graham Thorne and I accompanied two members of the Bucks Fungus Group round Coleshill Common recently. They identified 34 species – and this at a time of year when there are relatively few fungi about! The 34 included two edible kinds, and I sampled a St George's Mushroom that night. The experts hope to return during the year to continue the survey.

The Management Committee had a further visitor in April when the Chilterns Countryside Officer walked round and was able to make some suggestions about future care of the Common. One of his recommendations was to encourage more low growth in the wooded areas, which are becoming increasingly bare-floored due to the woodland maturing. This would help to maintain some screening for wildlife, and keep the wild feel of certain parts of the Common.

Work Parties will start again in September. The dates will be posted on the village notice-board, and on the website. **Chris Wege**

Tennis Club

We have had some wonderful tennis days - and evenings, the warm, windless days being a bonus for us....
It was unfortunate that the One Day Fun Tournament had to be postponed but please be reminded that it will now be held on the 27th of June starting at 10:30, do come along, it will be FUN.
The Club Championships draw has been made, details of which can be seen inside the Clubhouse. Matches for Round 1 have started and the results will be posted. The finals will be held on the 12th September, the format and timing will be posted on the Noticeboard during August.
Monday evening play, Tennis For All with the Club Coach, Alan Lowe is proving very popular; all non-team members are very welcome on Monday evenings, the session starts at 18:00 and finishes at 19:00.
League matches are well underway with mixed results but the players report back that the matches are good competitive fun.
Happy Tennis Days for the remainder of the Summer. **Angela Perry**

To find out more about the Tennis Club go direct to our web page on the Village website at www.coleshill.org/tennis.htm

Neighbourhood Watch

There has been a serious change in the security of our village since the last newsletter. Someone is targeting us and comes during the night when people are home and even if they have dogs and there is evidence of a burglar alarm. This is a whole new attitude as the favourite time used to be when the village was empty during the day and many homes did not have burglar alarms.

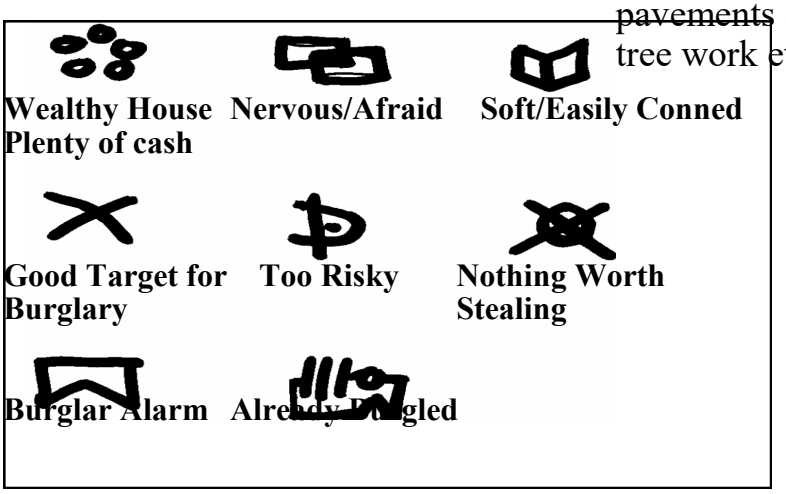

Village Road has had a break-in with items stolen and neighbours there have had doors tried and attempts of entry made. Also two ground floor flats at Coleshill House have had break-ins and both these were while people were at home. Another house in Chalk Hill has had two break-ins and, in the second, the burglary was taking place while the alarm was sounding.

My feeling is that either these are young people who feel that they are fit enough to escape faster than anyone could catch them or, more worryingly, that they are people who are prepared to put up a fight if challenged. May I suggest that, if you have a burglar alarm you put it on at night, even if you are at home. It is possible to buy pet friendly sensors if you have a cat or dog roaming. We have them and Jack was able to fit them himself. Also, ladies, keep your handbag with you in the bedroom at night, or, at least, your purse with any credit cards and everyone should hide your car keys.

Laptop computers seem to be popular loot and the police have warned us that plasma TVs are also prime items for theft. If you have a large TV, it may be worth taking time to secure it in a way that thieves would have to make quite a noise to remove it and could, therefore, maybe wake you in the night. Small antiques and collectables are also in their minds and it may make retrieval easier if you can supply the police with photos of these after a theft. Digital cameras are so popular now that you may consider using yours to take snaps of all your favourite home items and you could then put any stolen items on one sheet for the police. Please try to think like a criminal and review any weak points in your home security. I hate reporting burglaries.

Burglary Symbols

Used by itinerant criminals. The marks are left in chalk or felt pen on gateposts, pavements after a visit touting for tarmac, tree work etc.

Jack & Lindsey Haubner

Coleshill Village Fete

Saturday 12th June 2004

Parish Council Annual Report

During the year under review the Parish Council held six meetings; May, July, September, November 2003 and January and March 2004. Following the Council elections in 2003, our May meeting required the election of posts for officers. Messrs Hall, Valentine, Jefford, and Barber had been re elected with newcomers Jan Atkinson, Mike Smith and Frank Auton joining the Parish Council. Post were duly allocated. We said farewell to Sue Miles, Gillian Bungay and Nick Sadler, all of whom had given many years of sterling service. Their efforts on behalf of the village were much appreciated. It was gratifying to know that there had been sufficient, interested and willing, residents of the village to be nominated for positions on the Council and that an election was necessary.

During the year the average councillor attendance at meetings was **6.5** out of **7** and the average number of members of the public attending was **8.16**.

During the early part of the year the greatest problem that concerned the Council was the disruption and nuisance value created by the building work at Grove Mill. There was little that the Council could achieve to alleviate this problem despite having requested the assistance of both Bucks County Council, the Police and the Chiltern District Council. A great deal of damage had been done to the verges through the village and in particular on Windmill Hill. The new Grove Mill owner agreed to reinstate some of the damaged verges but subsequent events have shown that the verges were probably irreparably damaged.

As a result of the messy state of the village it was decided not to enter into the 'Best Kept Village Competition' for 2003.

In May 2003 various members of the Council attended a meeting with the Chiltern District Planning Department to express grave concern about some of the planning applications within the village and that the Parish was of the view that many planning applications being approved seemed to be to the detriment of the village and would change the character and nature of the village. The Parish Councillors were advised that Central Government had given guidelines and we must expect to see change in the countryside housing plans, that there may well be a loss of affordable housing, and we must steel ourselves to the effect that controversial planning applications could be granted. Chiltern District also expressed the view that 'local developers' by virtue of 'deep pockets' were an ever increasing power.

During the year the Parish received a windfall sum arising from its one thirty-ninth ownership of the gate house to the Stanley Hill cemetery.

During the year the council members adopted the view that the Council would work towards achieving the required level of excellence to achieve the so called 'Quality Parish' title.

One of the requirements in achieving this title was a greater degree of communication and openness within the village. This has been achieved by the establishment of the Village Website **www.coleshill.org** and a special thanks to Frank Auton for all his effort in this regard. The clerk has also been attending 'special courses' to achieve the degree of proficiency required for the 'Quality Parish' title.

Speed lmits continue to be a hot topic within the village. In order to bring speed awareness to the village, a week of manning a Portable Speed Indicator was undertaken, and the results were in some aspects most surprising. During the year, the Bucks CC has placed speed limit restrictions proposals in the public domain and has asked for comment. Whilst the proposals are welcomed there is still a great deal of hesitation on the part of Bucks CC to accept the Parish recommendations about a 30 mph speed limit in Magpie Lane.

During the year, and in response to various requests from villagers, verges were cleared, hedges cut, and some tree pruning was undertaken. The 'mushroom tree' on the common was restored in memory of Mr Bates.

The 'play area' at the Council Estate had been the subject of much review and is about to receive a 'facelift' to achieve local and safety requirements.

Planning Applications submitted to the Chiltern D C which affected properties in Coleshill were subject to review, and appropriate recommendations made where necessary. This continues to remain a contentious topic.

The cricket field was formally named 'Jack Adams Field' in memory of the village benefactor and an appropriate sign will be installed.

The Annual Return and accounts have been successfully submitted to the authorities.

The Parish Council backed a scheme initiated by Owain Mcguire for an email 'quick response/ringmaster' system whereby villagers could be warned about conmen/burglaries etc.

During the year the All Saints' School has been inspected and received a 'glowing' OFSTED report, and the Coleshill Village Common Maintenance Group continued their excellent work. Many thanks to all concerned. During the year the Parish Council commissioned a new Notice Board which has been erected outside the Village Hall. Many thanks to Jim Truett.

In conclusion an eventful, controversial, and difficult year. Many thanks to all councillors and the Clerk for their unselfish efforts.

David Hall - Chairman
18th May 2004

Coleshill W.I.

I am writing this immediately after our May meeting, which is when we discuss and vote on the resolutions that will go forward to the National I.G.M. in Sheffield, next month. There were three resolutions on the subjects of:- The trafficking of women and children, the growing of G.M. crops, and the funding of the Air Ambulance. Coleshill W.I. voted to pass them all; but there was some interesting discussion and the decision was never unanimous! After the serious part of the meeting we ended on a high note with Vera Clarke telling us about her visit to Buckingham Palace to watch her son's Investiture. He was awarded the O.B.E. for his work in the Navy during the Iraq War. I had promised to bring along the hat I wore for my husband's Investiture, as a Knight Bachelor, and we had a happy half-hour displaying both our hats, and our photographs, whilst all the members shared in our proud moment. For me one of the best things about W.I. is the sharing of experiences, whether they are happy or sad, with a circle of supportive friends.

Recently we've shared several enjoyable outings. The best has to have been our visit to Exbury Gardens in Hampshire. We were fortunate to have chosen the one day of good weather in a bleak and rainy week which was a great relief to the organisers! The coach journey went smoothly and the gardens were full of spectacular rhododendrons and azaleas giving a blaze of colour which was a joy to behold. It was well worth the long journey to see it all and we were amused to read in the Daily Mail that the Queen visited the gardens two days later and enjoyed the miniature train ride every bit as much as some of us!

I can only say that when a group of us attended the performance of Matthew Bourne's ballet, 'Play without Words', at Wycombe Swan the feedback was more varied and controversial!

In June our meeting will be in the Cricket Clubhouse, as the hall will be used as a polling booth that day. Nevertheless visitors are still welcome, as always, if any of you fancy hearing about 'Stately Home Ghosts'.

If we don't see you on that occasion, you are sure to meet us at the Village Fete because we shall be selling the raffle tickets to everyone possible!

Eileen Gershon

You can find out more about Coleshill WI by going direct to our web page on the Village website at www.coleshill.org/the_wi.htm

Cricket Club

With June upon us the cricket season is well under way. Victories, draws and defeats have all been achieved by the club in the league program. Our league positions aren't the best but a couple of decent results (and fair umpiring!) will soon change that.

Sunday fixtures have been rarer than hen's teeth with player availability causing the cancellation of a couple of fixtures; however with the sun starting to make more regular appearances hopefully we will be back on schedule very soon. If there are any villagers who'd fancy a game on a Sunday please contact John Ullman in the Lion and he'll pass your details onto the skipper.

Speaking of the Chairman, the successful junior nets have started again, these are being held at the Club on Thursdays. See John in the pub for details.

Coleshill Cricket Club test match shocker - For an unfortunate few the joy of watching an England debutante make a century at Lords was interrupted by continued sighting of Charlie Hutchins' (CCC Ist XI no.4) mug on the big screen. The Hutch was at Radley with Mr Andrew Strauss (clearly didn't attend the same coaching lessons) and was supposedly keeping Mrs Strauss calm whilst pulling some of daftest facial expressions seen. Signed photos of Charlie will be available from the Club bar.

Finally, the Club members would like to extend a big thank you to all the vice presidents new and old who have contributed so generously this season. The Club are committed to improving the net facilities and ground to ensure many more years of cricket in Coleshill.

Graham Flack

To find out more about the Cricket Club go direct to our web page on the Village website at www.coleshill.org/cricket.htm

Horticultural Society

Since this is my first contribution to the newsletter as the Chairman of the Society, I'd like to take this opportunity to introduce the rest of the committee to you – particularly as we have quite a few new members.

The committee comprises John Jefford, Carol McCulloch, Colin Sach, John Savory, Susan and David Smith, and Sue Windsor. Colin and David have nobly agreed to be our Treasurer and Secretary, and John (Savory) is kindly giving me the benefits of his wisdom and experience - as well as a great deal of practical support - in getting the Village Show on the road for September 4th.

We said farewell and thank you to three committee members at our AGM: Judi Herbert had taken on the role of Treasurer in 2003, and Jane Stainer, who has been our Secretary for the last year. Both of them have been fantastically efficient and professional and we shall miss them. We also said goodbye and a very big thank you to Lindsey Haubner, who has served on the committee for a staggering 27 years – the last three of them as our enthusiastic and hard-working chairman.

The new committee is working hard on the plans for the Show. Apart from making it run smoothly, our main aim is to get as many people as possible involved. With this in mind, we have made a few changes - as you will see in the Schedule which is being delivered along with your newsletter. It really is fun to have a go, and more entries make the show more enjoyable for everyone.

The committee have lots of other ideas that we'll be working on during the autumn once the show is over – so watch this space!

Wishing you all good gardening weather, and good weather in which to enjoy your gardens.

Heather Auton
Chairman - Horticultural Society

To find out more about the Horticultural Society go direct to our web page on the Village website at www.coleshill.org/horticultural_soc.htm

To be held on
Saturday 4th September 2004
in the Village Hall

Doors open at 2.15pm
Show to be opened at 2.30pm
by
Mrs Jenny Earp

Admission: Adults: £1.00
Children, accompanied by an adult:Free

President: Mr Ewart Smith

Ian Rennie Hospice at Home

Thank you once again to everyone who has supported the fundraising efforts in 2003 for IRHH. We raised over £2000 with our crackers, carol singing, coffee morning and Christmas sale. Our thanks in particular to Toni and Emily who organized the successful Christmas Sale in the Village Hall and donated half the profits to IRHH.

For the time being, the Coleshill IRHH Committee has decided to continue with its fundraising, but on a smaller scale. We will again be making crackers this year and carol singing, but if anybody else wishes to pick up the cudgel and raise some additional funds for this exceptional local charity, we would love to hear from you.

Amanda McCallum & Sharon Hall

Apologies - This piece should have appeared in the Easter Edition but somehow it got lost in the editing - Frank

Diary Dates

Sunday 13th June	Tennis Club Village Open Tournament
Sunday 27th June	Tennis One Day Fun Tournament - 10.30am
